## Special Author Visits MTCS

One of our 2nd grade teachers, Vicki Kennedy, was diagnosed with breast cancer and had to be out for a period of time for her surgery and treatment. To help prepare her students for what was happening with her, Vicki's friend, Maryann Madedau, wrote a book to read to them that explained many things about it and answered most of their questions. It is the first in The Little Pink Book Series and entitled, When Your Teacher Has Cancer. Since then, the book has been published, and the profits from the sale of the book are donated to breast cancer research. For more information, go to [www.thelittlepinkbooks.com](http://www.thelittlepinkbooks.com).

Today is Cancer Awareness Day at MTCS. We are praying for, remembering, and honoring those who have battled cancer. Maryann came up from Florida to share her book with our students, talk about why she wrote the book, and be an encouragement to all. She will be at the fundraiser tonight for JoDee and at the ballgames tonight where we will honor those survivors in attendance. Melissa Penry from WKRN Channel 2 News was here interviewing Vicki and Maryann today and plans on airing it at 4:30 today. It will be on the WKRN website after it airs.

### Reminder:

Tonight is the fundraiser chili supper in the MTCS cafeteria from 5:00 - 7:00 PM to help JoDee Kelley, our high school secretary, with her expenses as she fights cancer. *Please keep her in your prayers!*
