More details: Each child will receive a soccer ball included in the cost of registration. It is our intention not only to teach and help improve soccer skills, but also to share the importance of a relationship with God. Each day we will teach a Bible lesson and incorporate the lessons learned into the soccer skills and games for that day. It is our prayer that children will leave Kicks for Christ more in love with God and more in love with the game of soccer.

*You do not have to be an MTCS student to participate. MTCS students who are planning playing for the high school in the fall should not participate.

**Please note that coach Chambless will be out of the country from June 4-29, but should be back in plenty of time to answer questions that arise during that time.
