Memorial and Tribute Gifts

A gift to MTCS is a special way to honor or remember a special person or event. A note will be sent to the individual or family you have honored; the amount of the gift will not be disclosed.

Recurring Gifts

Many donors are able to give more by spreading their gift out over the year through monthly or quarterly donations. You can determine the total amount you would like to contribute and spread it out evenly through the end of the fiscal year, or you may simply choose an amount to give each month. Make a recurring gift through our secure online giving form:

“donate link” – must include option for recurring

Matching Gifts

You may have the opportunity to double or even triple the value of your gift. Many companies offer matching gift programs to their employees as part of the benefits package. Please contact your Human Resources Office to learn more about your company’s matching gift policy and to determine if you are eligible for a matching gift, or call our office for assistance.
